translingua

excellent translations.

excellent service.

excellent image.

Our mission...

OK... we may not necessarily be the cheapest – but we're definitely the best by a long way!

Our aim is to deliver 100% customer satisfaction and for our customers to feel that they can always rely on us when it comes to vitally important deadlines and the quality of the translations we produce, even under time pressure.

Our services...

- certified translations as well as proof-reading
- interpreting services (simultaneous, consecutive, and chuchotage – whispered interpreting)
organisation of technical interpreting equipment whenever required
- typographic support
- all languages, all specialist areas
- we only use translators and interpreters who are native speakers

Our strengths...

- quality-certified service (ÖNORM 15038 / ÖNORM D 1200 for interpreting)
- bespoke solutions and high level of customer focus
- a long track record of success and customer satisfaction that speaks for itself
- reliability and punctuality
- excellent value for money
